

STEVEN VOE

# Steven Voe Arrives With Debut Single “Back From The Dead,” Out August 4 on Drummer Records

Out August 4, 2026 on Drummer Records. The title track of his first full length record.

**MONTREAL, QC.** Drummer Records announces the debut single from Steven Voe, “Back From The Dead,” available everywhere August 4, 2026. The title track of his forthcoming first full length record, it introduces an artist who writes his own songs, produces his own vocals, and sings every background part himself.

“Back From The Dead” precedes a second single, “I Wish I Was A Woman,” arriving September 9, 2026.
